# STUDIES FOR CELL GROUPS

2019

MISION CARISMATICA INTERNACIONAL

# Welcome

Many leaders wish to begin their ministry to fulfill God's calling to them. The first step to accomplish that purpose and growth is through a cell group. You can find some guidelines that will make you have an effective cell group below.

## Fundamental Recommendations

- When speaking in your cell group meeting, be simple and courteous in the way you express yourself. Do not be religious.
- Pray to the Lord for creativity so each week you will have new ideas to make the cell group a life-changing experience.
- Your message should be one of faith, hope, and motivation to go forward in the Christian walk.
- Show the love of God to each person.
- Be disciplined with the preparation of the teaching, with being on time, and personal presentation.
- Having an excellent relationship with the Host will allow you to create an atmosphere in which the Holy Spirit can freely move about.
- Teach about the dream that God has for the lives of each member.
- Each week share a message that will impart life into each cell group attendee.

- Motivate each member to attend the Sunday services and to become an active member of the church.
- Teach about the importance of tithing and offering.
- Do not make your cell group longer than the suggested time (45 min to 1 hour).
- Be prudent and wise in the way you behave in the home in which your cell group is held. Your testimony speaks volumes.
- Read, study and prepare to receive God's blessings for your life.
- Work together with the Host of the cell group to invite new people each week.
- Always remember to say the Sinner's Prayer before closing the meeting for new souls to receive salvation.
- Always remember to pray for the needs of the people attending the cell group.

## Love needs to be shown!

## Something to think about

*The power of heaven is unleashed when as a church we all have the same heart and mind. That's why it's so important to have received God's direction each week this month. The spiritual strategies inspired by the life of the prophet Daniel have led us to understand that if for 30 days we cry out for life, we will see God's power manifested everywhere. Now, it is time to rise up with authority and show love to the families we have been praying for.*

# Let's go deeper

We all have one mission: to save lives; and to accomplish this beautiful calling we need to know a few principles that should be put into practice from this moment on.

---

## WE ARE LIFEBOATS

### **John 14:6 NLT**

*"I am the way, the truth, and the life. No one comes to the Father except through Me."*

Our church is a lifeboat! Because of this, we can't just motivate people, we need to be leaders who are empowered and prepared to go out and rescue families from the hands of the enemy.

You and I need to understand the principle of intercession. We need to go into prayer and tear down the death sentence that has tried to steal dreams, damage marriages, and destroy people's callings. It's time for our hearts to recover the value of one person's salvation.

Is there something or someone around you that needs to be rescued? Remember to persevere in prayer with your list of three people!

## TURN YOUR LIGHT ON

If you do not first light your own life, how will you take light to others? If we are “Christian secret agents” in our environment, how will we become lifeboats?

If you know that there’s an area in your life you need to put in order, it’s time to sanctify yourself. Part of accepting God’s call is understanding who you are to God, understanding what He wants to do in you and through you, and having a life free of arguments.

Remember to participate in the times of intercession! That’s where you receive the revelation of the power of the blood of Jesus to free your life and take on the challenges with spiritual strength.

If three people’s lives and salvation depended on you, how would you prepare spiritually?

## HOW TO SHOW LOVE

### **1 John 3:18 MSG**

*"My dear children, let's not just talk about love;  
let's practice real love."*

A compassionate heart

When was the last time you prayed and cried interceding for someone? The best way to love someone is by praying for them.

- **Visit**

There's nothing like face-to-face quality time. The heavens are opened and hearts are willing and ready for you to go out and share the good news of salvation and restoration. Apply the principles Pastor Cesar has taught us for visiting people. Your visit will change lives!

- **Impart faith**

It might happen that when you visit a home you might find wounded hearts, discouragement, hopelessness or unbelief. But through that quality time, God will use you to remove logic, impart what you've received from Jesus and to sow the Word of God into every life. Tell them that the whole church has been praying for them!

- **Meet their need**

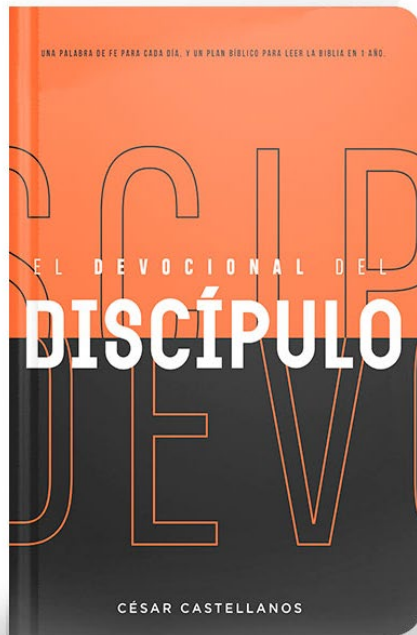

After you schedule your visit, make sure you don't show up empty handed; be generous and thoughtful. Take time to listen to people so you'll know what they need and how you can serve. Service is what sets us apart!

At the end, remember to invite this family to celebrate the closing of this great month with the "Festival of Life" next 3rd and 4th of August in our weekend meetings. It will be their opportunity to receive their miracles!

## Prayer

- Take the time to pray for each person in your cell group. Apply the blood that Jesus shed from His right side and declare that every wound in their faith, calling and emotions is healed. Declare that they will be used by God in this time to take life to their own homes.
- Ask each person for the list of the three people they've been praying for. If someone does not have it, give them a few minutes to make the list. Then, impart the spirit of the strategy to each of them, and together declare open heavens and willing hearts for each visit.
- Remind them how important that they continue participating in the scheduled intercessions for the rest of the month.
- After prayer, invite them to participate in the Festival of Life and lead them to visualize that they will be there with each one of their family members and friends.
